

HIGH ROCK LAKE

ASSOCIATION

The High Rock Lake Association (HRLA) is a non-profit, all-volunteer organization dedicated exclusively to championing the interests of High Rock Lake property owners and the thousands of people who love being in, on, and around our lake waters.

Founded in 1954, our organization's ongoing mission has been to help protect and promote our lake's health, beauty, and safe recreational use for all who love it, as we do. This mission continues today with more than a thousand active members and is more relevant now than ever. Please join us and have your name counted among our lake's champions!
